*Serving God from your Heart*

**THE MOST HOLY BODY  
AND BLOOD OF CHRIST**

Taking the

*five loaves*  
and the *two fish,*

and looking up to heaven,  
Jesus said the blessing over them,  
broke them and gave them to  
the disciples to set before the crowd.

Luke 9:16

## **Our Mission**

Christ the Servant Parish is a welcoming Catholic faith community gathered together to gratefully share and live the Eucharist, the inspiration of the Gospel, the presence of the Holy Spirit, and to follow Christ's example in service of others.

Pope Francis' Tweet for the Week  
 Without wonder, faith, like life, becomes gray and routine.

### Living Stewardship Now

Offer practical assistance to someone whose life has been broken by illness or loss of a loved one, job, or home. Join a helping ministry in your parish.

June 29/30 is the FIFTH Sat/Sun of the month; therefore, as requested by the Knights of Columbus, the Rosary will be said before the 4:45 Saturday Mass (beginning at 4:20). Join Knight Anderson and CTS parishioners in praying for our nation.

*"God who gave us life gave us liberty. Can the liberties of a nation be secure when we have removed a conviction that these liberties are the gift of God? Indeed, I tremble for my country when I reflect that God is just, that his justice cannot sleep forever." Thomas Jefferson*

### What is a Healthy Relationship?

Different people define relationships in different ways. But in order for a relationship to be healthy, it needs a few key ingredients!

#### Healthy Communication

Open, honest and safe communication is a fundamental part of a healthy relationship. The first step to building a relationship is making sure you both understand each other's needs and expectations—being on the same page is very important. That means you have to talk to each other! The following tips can help you and your partner create and maintain a healthy relationship:

- **Speak Up.** In a healthy relationship, if something is bothering you, it's best to talk about it instead of holding it in.
- **Respect Each Other.** Your partner's wishes and feelings have value, and so do yours. Let your significant other know you are making an effort to keep their ideas in mind. Mutual respect is essential in maintaining healthy relationships.
- **Compromise.** Disagreements are a natural part of healthy relationships, but it's important that you find a way to compromise if you disagree on something. Try to solve conflicts in a fair and rational way.
- **Be Supportive.** Offer reassurance and encouragement to each other. Also, let your partner know when you need their support. Healthy relationships are about building each other up, not putting each other down.
- **Respect Each Other's Privacy.** Just because you're in a relationship doesn't mean you have to share everything and constantly be together. Healthy relationships require space.

Relationships that are not healthy are based on power and control, not equality and respect. In the early stages of an abusive relationship, you may not think the unhealthy behaviors are a big deal. However, possessiveness, insults, jealous accusations, yelling, humiliation, pulling hair, pushing or other abusive behaviors, are — at their root — exertions of power and control. Remember that abuse is always a choice and you deserve to be respected. There is no excuse for abuse of any kind.

# Protecting God's Children for Adults

**ATTENTION: ALL VOLUNTEERS AND PARENTS**

**PGCA** is an awareness and safe environment  
program. The target audience is adults that  
volunteer with children. Many past participants have  
shared that they believe **all parents** would benefit by  
attending. This  
program is a proactive  
response to dealing  
with some of the  
situations of the world  
in which we live today.  
It has been designed  
to raise our awareness  
of the issues and  
provide ways to  
respond by creating a  
safe environment for  
our children.

Out of concern for the safety and well-being of  
children, **all adults**, who have significant contact with  
children at our parish **must** participate in the  
Protecting God's Children Program. This program  
is mandated by the Diocese of Joliet in accordance  
with the *Charter for the Protection of Children and  
Young People*.

There are sessions offered at neighboring parishes.

## Respect for All Life

### Fathers' Impact on Daughters

"My father gave me confidence to believe in myself. He communicated to me that I could do anything I tried. My father always made sure that I knew that he loved me. I knew that because he made our entire family go on vacations together. He knew we needed that time together. My dad protected me fiercely...for myself. I was young and too trusting of people; he knew that long before I did. Dad was tough, serious, and he intensely loved his family. He believed his most important duty was to make sure his family was cared for...and we were. Most fathers are good men as well, but you are good men who have been derided by a culture that doesn't care for you. But I can tell you fathers change lives, as my father changed mine. You were made a man for a reason, and your daughter is looking to you for guidance that she can't get the same way from mom. What dads say in one sentence or communicate with a smile have infinite importance for their daughters. Dads, you are far more powerful than you think you are. Protecting your daughter and teaching her about God, sex, and humility doesn't require a psychology degree. It just means being a dad."

## Parish Giving

Today we give special honor to the Body and Blood of Christ. It is Corpus Christi Sunday, a solemnity that encapsulates so many of our beliefs as Catholics. The Church directs us to focus primarily on two of these beliefs: the Real Presence of the Body and Blood of Christ in the Eucharist, and the Church as the Body of Christ, continuing His work on earth. The Real Presence is something that has always been a challenging teaching. Jesus took bread and wine and changed them into His Body and Blood. The celebration of every Mass repeats this miracle through the words and actions of the priest at the Consecration.
