Our Mission

Christ the Servant Parish is a welcoming Catholic faith community gathered together to gratefully share and live the Eucharist, the inspiration of the Gospel, the presence of the Holy Spirit, and to follow Christ's example in service of others.

Pope Francis' Tweet for the Week
 A society is all the more human to the degree that it cares effectively for its most frail and suffering members, in a spirit of fraternal love.

Please continue to check our parish website www.ctswoodridge.org, and facebook, for up to date information about what we are able to offer to help keep our community connected.

As long as the number allowed at mass is restricted, Fr. Bob will be recording a mass, and it will be posted by 4:30 pm Saturdays on the YouTube channel [christtheservant](https://www.youtube.com/channel/UC1tH8t8t8t8t8t8t8t8t8t8).

Students Planning on attending a Catholic High School or Accredited University, College or Trade School are Eligible

to apply for the LEONARD M JARKA MEMORIAL SCHOLARSHIP

The scholarship application and full eligibility requirements can be obtained from the Parish Office, downloaded from the website <http://www.kofc5918.org> or by contacting our Scholarship Chairman Jim Schmidt at 630.728.4784. All applications must be submitted by APRIL 15, 2021. Application can be submitted via email, printed and mailed, or given to any Council 5918 officer or our Scholarship Chairman. The scholarships will be awarded at the end of May.

Using our time, talents, and spiritual gifts to make a difference

Imagine what our families, church, and community would be like if we all took the time to do what God uniquely designed each of us to do in serving others. The ripple effect of each person making their unique contribution would result in a revolution of Christ's love being felt in tangible, life-changing ways. Whether you have lots of time to volunteer each week or only a few hours every once in a while, consider making the kind of impact that only you can make. Your life will never be the same! (And the world will be a better, more peaceful place, too!)

Prayer for Protection Against the Coronavirus and Other Evils

O Immaculate Mary, conceived without sin, I implore you on this very day to be the spiritual mother of our home. In the most Holy Name of Jesus Christ, your Divine Son, preserve us from all evil, especially from Coronavirus and all other contagious diseases or sicknesses, including illnesses of mind or spirit.

Thank you for protecting each member of our family, all our friends, coworkers, and all health care providers. May our loving Father preserve us from sin, and from sudden death without obtaining Divine Mercy, through the unceasing intercession of Saint Joseph, Saint Anthony, Saint Therese, Saint Jude, and Saint Michael the Archangel. Amen.

personal relationships with Jesus Christ. If you are interested in learning more about our Catholic tradition, spirituality, and theology, come hang out with us as we build something great. Anyone interested in attending or helping out please email RF Director Christine Goba for more information.

What Religious Formation Classes are Studying

As part of Christ the Servant's Religious Formation classes, some of our students have been learning about Baptism. At the beginning of His public ministry, Jesus Himself was baptized, not because He needed to be, but because it was fitting that He be baptized, so as to serve as our model of holiness and to show us the way to salvation. At the end of His earthly dwelling, in Matthew 28, Jesus commanded His Apostles to go

Baptism

to all the nations and make disciples of them, "baptizing them" in the "name of Father, and the Son and the Holy Spirit," as we still do today, and "teaching them to observe all" that He taught them (19-20). Jesus' Baptism and His commissioning of the Apostles to baptize are the conclusion of thousands of years of preparation for the

Sacrament of Baptism. God prefigured the Sacrament of Baptism throughout His saving work in Salvation History. From the very beginning, when the Spirit of God hovered over the primordial waters, to Noah and the Great Flood, to the crossing of the Red Sea and the River Jordan, we have always understood the signs that have pointed the way to Baptism. God's people pass from chaos, death, slavery, and sin, through powerful and life-giving waters, to new life in grace and freedom as a new creation in Christ.

New Kindergarten Class

Religious Formation is now offering a Kindergarten class at our Tuesday afternoon sessions. The kindergarten class will meet in person every other week for instruction and fun. For more information or to sign up your child, please email RF Director Christine Goba for more information.

Helpers are needed for online learning and in person.

Is God calling you to share your faith with his children? There are many different ways to help like there are many different types of children. Come join us as we work to make a difference. Please call the RF Director Christine Goba at 630-910-0770 or email at cgoba@rcdoj.org for more information.

Parish Giving

In today's first reading, we hear Samuel respond eagerly, "Here I am!" each time the Lord calls him. May we, too, be listening for the call of God in our lives and be ready to say like the psalmist, "Here am I, Lord; I come to do your will."

God bless you, and thank you for your generous support!

Did you know...we are going to have some major expenses coming up next summer. You've probably already heard that we want to rebuild the original parking lot. There is so much damage to it that it can no longer be repaired, just patched in the worst places. But first, the shingle roof needs to be replaced. We can't risk having water damage come in through the roof after we've worked so hard to stop the water coming in through the masonry! The most recent inspection/maintenance of the HVAC units on the roof indicates that we need major repair, and replacement might be a more efficient use of funds in the long run. Three of the four units have tiny cracks in the heat exchangers, and all of the units are 21 years old, which is about 10 years longer than the expected life span. The refrigerant used in the air conditioning will be outlawed in a couple of years, so... Just wanted to let you know what's coming. It's where our 13th month donations are going.
