Our Mission

Christ the Servant Parish is a welcoming Catholic faith community gathered together to gratefully share and live the Eucharist, the inspiration of the Gospel, the presence of the Holy Spirit, and to follow Christ's example in service of others.

Pope Francis' Tweet for the Week
 It is only by following the Lord that we come to know him each day, only by becoming his disciples and listening to his words that we become his friends and experience his transforming love.

Please continue to check our parish website www.ctswoodridge.org, and facebook, for up to date information about what we are able to offer to help keep our community connected.

At this time, we continue to record the mass for people who are not able to make it to church, posting it by 4:30 pm Saturdays on the YouTube channel christtheservant.

July Vocation Prayer

God our Father, You made each of us to use our gifts in the Body of Christ. We ask that You inspire young people whom You can to priesthood and consecrated life to courageously follow Your will. Send workers into Your great harvest so that the Gospel is preached, the poor are served with love, the suffering are comforted, and Your people are strengthened by the sacraments. We ask this through Christ our Lord. Amen. *Prayer for Vocations by Pope Francis*

For an increase of vocations to the priesthood, diaconate & religious life, especially in the Diocese of Joliet, we pray to the Lord.
 Lord, hear our prayer.

National Eucharistic Revival
The devotion to the Eucharist is the most noble, because it has God as its object; it is the most profitable for salvation, because it gives us the Author of Grace; it is the sweetest, because the Lord is Sweetness itself.

Shortly after CTS completed our Exodus collection of money and items to furnish an apartment, members of the P&SJ committee delivered the items & food. Also, helped set up the apartment for a refugee family of six. **Thank you all for the contributions!!!**

Parish Giving

How many of us live day-to-day not being aware of what we do or perhaps even who we are? Living a conscious, purposeful life takes a lot of energy and commitment. Jesus came into our world to teach us how to live such a life as His Stewards. He reached out to everyone, even those who were considered outside of the acceptable community life.

Laundry Energy Saving Tips

There are two ways to reduce the amount of energy used for washing clothes—use less water and use cooler water. Unless you're dealing with oily stains, the warm or cold water setting on your machine will generally do a good job of cleaning your clothes. Switching your temperature setting from hot to warm can cut a load's energy use in half.

Wash your clothes in cold water using cold-water detergents whenever possible.
Wash & dry full loads. Washing a small load, use the appropriate water-level setting.
Dry towels and heavier cottons in a separate load from lighter-weight clothes.
Don't over-dry your clothes. If your machine has a moisture sensor, use it.
