## 12TH SUNDAY IN ORDINARY TIME

He woke up, rebuked the wind, and said to the sea,  
“Quiet! Be still!” The wind ceased and there was

(Children must have participated in RF in first and second grade or two other consecutive years of preparation). Preparation for the Sacrament of Confirmation, which will be conferred at the end of 8th grade according to the Bishop's schedule begins in 6th and 7th grade. (Full participation in RF in 7th and 8th grade is the minimum enrollment required.)

### When You Pray: A Clear Path to a Deeper Relationship with God

Participants are invited to meet every week for a 7-week video study program, to view an engaging video presentation followed by a time of lively group discussion and fellowship. The workbook is \$25 for participants who wish to purchase a book to follow along but it is not necessary to have a book.

You know that prayer is important but still find it challenging. Perhaps it's hard to find time, or you're unsure what to do when you pray. Or maybe you feel discouraged by your weaknesses and your inability to overcome them.

If you have any of these feelings, you are not alone. Many of the saints struggled in prayer. They were like us. But each time they fell, they got up again and learned to rely more on God's grace.

What God did in the lives of countless saints, he wants to do in the lives of ordinary people like us. And that's what this study is about: the journey of prayer God wants to take us on.

Join us for When You Pray: A Clear Path to a Deeper Relationship with God at Christ the Servant.

Christ the Servant Church and Religious Faith Formation are

genuinely happy to be able to work with your family to prepare and receive the Sacraments. The Sacraments are God's great gift to mankind and so there is great joy in being able to share this wonderful gift and work of God with your family. The seven Sacraments touch all the stages and all the important moments of Christian life: "they give birth and increase, healing and mission to the Christian's life of faith. There is thus a certain resemblance between the stages of natural life and the stages of the spiritual life." (St Thomas Aquinas)

## Creation Care Corner

### Laundry Energy Saving Tips

There are two ways to reduce the amount of energy used for washing clothes—use less water and use cooler water. Unless you're dealing with oily stains, the warm or cold water setting on your machine will generally do a good job of cleaning your clothes. Switching your temperature setting from hot to warm can cut a load's energy use in half.

Wash your clothes in cold water using cold-water detergents;

Wash and dry full loads;

Dry towels & heavier cottons in a separate load from lighter-weight clothes.

Don't over-dry your clothes. If your machine has a moisture sensor, use it.
